QUARTZ + TIMBER BAR

Description:

This stunning quartz bar features a curved bullnose edge. The bar frontage is completed with a timber back panel, a timber moulding kick strip and mounding profiles around the decorative tiles. We finished with a timber panelled stainless steel back bar with a matching quartz countertop, double door bottle cooler and wine cooler.

Key Features:

- White quartz countertop
- Timber bar frontage
- Steel backbar with timber cladding
- Bottle and wine cooler
