### GENTLEMAN'S BAR

**Description:**

Working with designer Danielle Lee, this bar was designed to create the mood of a gentleman's themed room. The finishes are of high specifications and the detailing cleverly thought out. The bar features distressed leather in teal and a dark timber countertop with bullnose and radius edging. An aged brass foot rail completes the look.

**Key Features:**

- Dark timber countertop
- Illuminated back bar
- Glass shelving with antique mirror
- Wine fridges + bottle coolers
