ILLUMINATED ONYX BAR

Description:

This high end designed onyx bar with high spec finishes features fully illuminated bespoke light pads providing an even disperse of light. The onyx is set within a patina brass detail on the bar and upper back bar display. The back bar contains an insulated ice well and the upper back bar features an antique mirror to provide the perfect finish.

Key Features:

- Onyx back bar
- Granite counter top
- Bespoke light pads
- Hidden TV mirror
