

HOME BAR 27

LUXURY GRANITE BAR

Description:

The bar frontage was designed with intricate curved detailing, which was created from timber and brass inlay strips to create the precise look the client wanted. Black granite was selected for the countertop, with the addition of recessed LED strip lighting to provide just a subtle wash of light and warm glow over the frontage.

Key Features:

- Black granite countertop
- Brass inlay strips
- Recessed LED lighting
- Matching wall cabinets
