HOME BAR 28

GREY + WHITE INFINITY BAR

Description:

The front bar was built with a white timber Shaker-style moulding frontage, complete with recessed strip lighting and topped with a 200mm thick infinity countertop. The inner bartender station consists of an insulated ice well and inset speed rail, a bin void and dishwasher section, cupboards and shelving for service convenience.

Key Features:

- Infinity bar countertop
- Illuminated back bar
- 200 bottle wine display
- Bespoke stools & seating
