Pilots Bar & Kitchen, Heathrow

Pilots Bar & Kitchen in London Heathrow is a bustling venue and a busy stop-off point for tired travellers. Managed by premium caterer and restaurateur, Rhubarb, the venue was rebranded to become a destination in its own right.

Inspired by the golden age of travel, Pilots Bar & Kitchen is a vintage-inspired eatery catering to hundreds of diners each day. The rebranded restaurant needed premium quality, bespoke furniture to fit its newly rebranded décor - Dawnvale was asked to help.

Simple dark-wood chairs and vibrant yellow high-backed chairs, paired with brushed steel tables, makes up the free-standing furniture in Pilots Bar & Kitchen, offering a classic look.

ADDITIONAL SEATING

Additional seating comes in the form of comfortable leather seats at the bar and raised tables, and panelled leather booths against the walls, adding an interesting, multi-level feel to the venue.
